NEWSLETTER Issue 9

Hi everyone,

We hope you are all keeping well and staying warm during these cold mornings. It has been a very busy and successful term with lots of learning for our students and our staff.

Thank you for your support this term and we look forward to seeing you back at school on Monday July 15th

Semester one reporting processes

Semester one reports have been completed and are being sent home tomorrow Friday 21st June.

As a component of our assessment and reporting process we are offering parents/carers the opportunity to attend a 3-way conference with their child and the teacher.

These conferences provide a great opportunity to hear about your child's achievements and listen to them talk about aspects of their learning. Together new goals will be discussed for term 3.

We have scheduled our 3-way conferences for the student, teacher and parents/carers next Monday and Tuesday. We look forward to welcoming you to the school.

**Students
under the
Spotlight**

In Visual Art recently one of our year 6 students Israa, created a fantastic charcoal sketch with amazing shading and fine features.

She used a large, thickly textured sheet of paper and techniques such as smudging, using the tip and the side of the charcoal to create a 3D effect.

'I enjoy visual arts and being able to use my creativity and imagination skills to create something from nothing' - by Israa

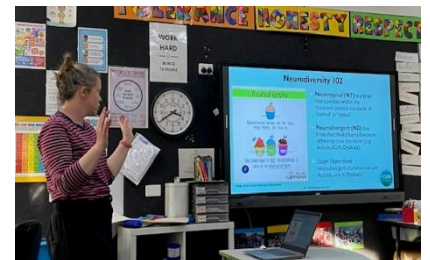

Congratulations Israa on your fantastic art piece.

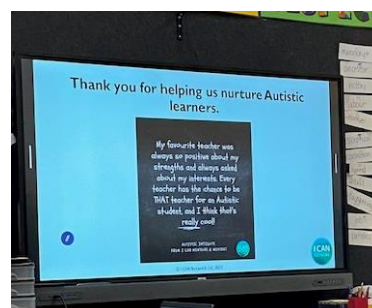

Staff Professional Learning

Yesterday our staff took part in an introductory session run by Michelle from ICAN. The session included many aspects of autism and was very informative. We discussed many things including strengths,

behaviours, challenges and perspectives. It was very

enlightening for our staff and provided a different lens on the types of autism and how we can best support these children. In term 3

ICAN is running a strategy for students with autism once a week.

'Just Brass' and percussion

Our band master Mr. Stuart Lees is back leading our 'Just Brass' instrumental and percussion program. These sessions will be held each Thursday in the Library.

'See me, Hear me' media update

Road Safety

Road Safety is so important, and it starts with parents talking to their children about safety in the car and on the footpaths. Please ensure that you talk to your children about keeping themselves safe and how to be aware when they are near the footpath.

Drivers need to set an example and there are still one or two drivers who wear their seat belt but do not bother to ensure their passengers are safely in a seatbelt.

Student Welfare

We are very fortunate to be able to continue our student welfare support with the services of RelateWell - Family Relationships Institute Inc. (Suite 102, 398 Sydney Road Coburg) www.relatewell.org.au These services will begin this term.

We have two staff from RelateWell here on Tuesday and Thursday who deliver free one-to-one counselling services for identified students.

They can also offer support to parents and families. The sessions are free and are provided here at the school.

Please contact the office if you would like further information. These sessions are all confidential. More information will be available soon.

Yesterday we welcomed Ganga Giri to the school who is a talented first nation musician and storyteller.

Ganga provided a variety of cultural experiences for our students including music,

stories and environment - fauna and flora. He performs in Naarm (Melbourne) across Victoria and internationally. Our students loved identifying bird sounds played using the didgeridoo.

Eid Celebrations

Recently lots of our families celebrated eid al adha. We hope you all enjoyed your celebrations with family and friends.

Domestic Violence

If you or a member of your family requires confidential crisis support,

information and accommodation please contact the 24/7 state-wide Family Violence response service [safe steps](http://safe.steps) on **1800 015 1881** or visit the website at <http://dvvic.org.au/on>. They will assist you.

If you feel unsafe or are concerned for someone's safety, please call 000. For confidential phone help and referral in Australia, please contact 1800RESPECT

Research shows that it is always best to leave when domestic abuse and violence is an issue. Children are safer and they recover from trauma faster.
